Accelerated students must take at least 24 credits during their graduate year and require 36 credits total over two years to graduate.

Students can take up to 15 credits a semester but are advised to take 9-13 a semester.

This course plan is intended to serve as a resource for students to ensure they complete all program requirements but is not the only path that students can take. For specific advising questions contact Mo O'Connor at mcoconnor@lafollette.wisc.edu

**A maximum of 3 credits can be accrued for internship via multiple internships or one worth 3 credits*
