Note: The Writing Center at UW-Madison is a great resource for help on writing a statement of interest: <https://writing.wisc.edu/>.

Tip: To ensure you save a copy of what you write, write it in another Word or Google document first, then copy and paste your final statement below.

OPTIONAL: Please upload a brief resume. (We understand that the past year has created many barriers to finding employment and meaningful volunteer opportunities and have waived the resume as a requirement. That said, we welcome one if you would like to submit it to help us offer career guidance, but it will not be used as a criterion for admission.)
